## Join us at the Miles Household to watch the SCCA Runoffs on Saturday, December 16<sup>th</sup>

The Speed Channel will be running the SCCA runoffs earlier in the week; we will record the race and air them at our house on December 16<sup>th</sup>.

I will setup the big screen(s) and we can watch Sam Halkias in his 8<sup>th</sup> place national finish. We still have the 2005 race on the DVR as well, so we'll have to watch that again, too. Apparently Sam also has some practice laps from an in-car camera that we can view.

Plan on coming around 11:30, if you would please bring your favorite side dish, munchies or desert and we will supply meat and beverages.

The best way to get here is to drive through downtown Granville, travel east on Broadway, past the Granville Inn, then turn left on Granger street, follow Granger till it dead ends and then turn right on Welsh Hills Road. We are at 2058 (if you get to a stop sign, you went too far) Our driveway is 1,000 feet long, come on back.

If you are coming, please let Kim or I know via email ([bmiles@intinfo.com](mailto:bmiles@intinfo.com)) or call 740-587-4179 so we can plan to have enough food.

We hope to see you there. Kim, Bruce and Ryan Miles

## Renew for 2007!

Happy New Year - it's dues time again. In this issue you will find a data sheet with your information. Please review the information, make any corrections and return it with your annual dues payment of \$20 or bring it with you to the Holiday Party on January 20<sup>th</sup>!

## RSVP for the Holiday Party!

Be sure to save January 20<sup>th</sup> for our annual party at the Buckeye Hall of Fame Café! Details are in this newsletter. RSVP to me ([bmiles@intinfo.com](mailto:bmiles@intinfo.com)) or Jim VanOrder

## Editor's Corner

Happy Holidays!

Well, winter has arrived in central Ohio this morning, but each day gets us closer to Spring.

Ryan and I tucked our cars away last week, and Ryan is busily doing non car oriented things (catamaran sailboat hull repair) in our garage.

We had a good time helping Jim VanOrder put his body tub back on his restored frame. Many hands make light work - Bill Blake submitted an article with some pictures of the event.

I hope you all can make it to our house on the 16<sup>th</sup> for our screening of Sam's SCCA Runoff Race (especially since no one got to see it in person) - but it's not all about watching racing, just sharing food and having a get together should be fun - please let me know if you are planning to come so we can have enough food (although that has rarely been a problem)

In this mailing you will also find a data sheet with your BT information and payment history. Please review this and return it with your dues payment (or bring it with your smiling face to the holiday party).

Also, you will find a flyer with the Holiday Party details - Hang this on your fridge to remind you to keep the date open. Please RSVP as soon as you can so we can get the counts in to the Hall of Fame Café.

Well - I'm keeping my article short this month - there will be no newsletter between now and the end of January; I hope to see you at our house and at the Holiday Party.

Bruce  [bmiles@intinfo.com](mailto:bmiles@intinfo.com) or [bmiles@buckeyetriumphs.org](mailto:bmiles@buckeyetriumphs.org)

## President's Corner

Happy Holidays everyone. It is that time of year again when everyone is scurrying around shopping for that last minute gift, attending office parties and just getting together with family and friends. Mary and I attended her office party this past Friday and we have a few other get

together to attend between now and the New Year. Meanwhile, Mary and the girls have finished most of the Christmas shopping while I haven't even given it a thought. Dollar Value stays open late on the 24th doesn't it?

Speaking of get togethers, Bruce and Kim Miles have been kind enough to invite the Buckeye Triumph faithful to their home on Saturday, the 16th which Mary and I plan to attend. RSVP Bruce if you haven't already.

I understand there was another terrific turnout at the November Social Meeting hosted by John and Kim Johnson. It is nice to know that so many members are coming out to attend the meetings. Unfortunately, Mary and I couldn't join you. The Dublin Jerome Marching Band was having its end of season awards banquet that evening and we attended that with our daughter, Emily.

I'm sure most of you have put your LBCs away for the winter and followed some of the helpful hints for long term storage provided by Joe Lynch in the last newsletter. My TR is up on the lift for the time being. Before putting it away, I washed it, put a coat of wax on it and polished the chrome. I also detailed the engine compartment, cleaned the interior and removed the floor mats and carpet. Naturally it was one of the coldest weekends in late October when I decided to do all of this. I still need to top off the tank and put some gasoline stabilizer in it. In addition, probably like everyone else, I have a fairly long list of maintenance items to complete on it during the winter months.

During the Thanksgiving holiday weekend, Sean suggested that we get some work done on the Spitfire. Fortunately it was very warm and pleasant to work out in the garage so I put the TV remote down and we set to work.

We put the brake lines on the chassis in preparation for installing the engine and transmission, something I didn't do when restoring the TR. Lessons learned. It's a lot easier to install the front lines when the engine is not in the way. However, when finishing the front lines on the Spitfire, we noted that a mistake had been made when assembling the front suspension so a couple of steps backwards had to be made. When it was all said and done, the shocks and springs had to be removed, bolts replaced and the shocks and springs reinstalled. Then we finished up the brake lines. By this time it was time for Sean to head back to school with the promise of returning this past weekend to finish installing the engine and transmission. This we did, although it was much colder in the garage this weekend. I have included a couple of pictures of the Spitfire thus far. When Sean comes home for Christmas break, maybe we will get a little more work done on it.

To wrap up the holiday season, I look forward to the annual Buckeye Triumph Holiday Party on January 20th. If you haven't got this on your calendar already, please make plans to attend and give Jim VanOrder a call confirming your reservation. Oh, and by the way, if you have any money left over following Christmas and New Years Eve, it is also a good time to pay your annual membership dues, only \$20.00. The party starts off at 7:00 p.m. and the room is reserved until Midnight for all you night owls. Be prepared to have a good time.

Mary and I wish a Merry Christmas and Happy New Year to you and yours. Have a wonderful and if you are traveling, safe holiday season. If I don't see you at Bruce and Kim's, I hope to see you on January 20th at the Buckeye Hall of Fame Café.

Cheers, Buck

## **BT Minutes**

Minutes of November 2006 Buckeye Triumphs Business Meeting

Attendance: Doug Mansfield, Ann and Greg Gillman, Bev and Gary Nettler, Joe Lynch and Anne Hunter, Kathy Scott and Bill Blake, John and Charma Huddy, Margo and Jim Washburn, Bruce Miles, Jacqueline and Murry Mercier, Jim and Gayle VanOrder, John and Kim Johnson with Samantha, Max and Ryan, John and Becky Hartley, Steve Neumann

The November 6th, 2006 meeting of Buckeye Triumphs was called to order by VP Joe Lynch at 7:20 pm at Mary Kelley's in Dublin. Joe thanked the Johnson's for arranging the meeting. He also thanked the Gillman's again for the meeting they hosted last month at their home. Bruce Miles was congratulated for another great newsletter.

Murry Mercier reported on the October 14th drive hosted by Buck and Mary Henry in October. It was a beautiful day, and the drive was enjoyed by all who participated.

Joe announced that the holiday party has been scheduled for Saturday evening, January 20th at the Buckeye Hall of Fame Café. Cost will be \$29 per person, and there will be a gift exchange for those who wish to participate.

More details regarding the holiday party:

- Doorprizes to donate? Give them to Joe, Buck or Jim VanOrder.
- Have you kept track of the miles driven this year in your car? Bring to the party.
- If you have pictures from this year's events for Bruce's slideshow (shown throughout the evening), please get them to him.
- If you renew your membership for next year, your name will be entered in a prize drawing. Winner drawn that evening.

Bill Blake has just arrived home from the SEMA show in Las Vegas. He reported that there wasn't much British there, but he will get some pictures together.

Regarding the calendar, a meeting in December is optional. Bruce said he might have a gathering at his house to watch the SCCA Runoffs (like he did last year). He will confirm with Kim before making any plans.

If anyone has any information on upcoming events, please let Bill know so he can get it on the calendar on the website.

Election of officers - president and vice president – is coming up. If you are interested in running for one of these offices, please let Joe know. Treasurer and secretary positions are not up for election – Jim VO and Charma are staying in these positions at this time.

Joe presented Charma with a package of NoDoz (maximum strength!) to keep her from falling asleep at the wheel again and totaling any more cars.

Tech sessions – Jim VanOrder may be requesting a session for some help with his car.

50/50 raffle – Total was \$54. Winners were Joe and Anne, and they donated their half back to the Thomas scholarship fund.

Meeting was adjourned at 7:30.

Respectfully submitted, Charma Huddy, Secretary

## **VanOrder Help/Tech Session**

By Bill Blake/Events

Sunday afternoon in Johnstown saw the tub of Jim VanOrder's TR6 mate back up to the chassis after 2 years of work. BT members helped with the delicate process of lifting the tub over the engine and chassis setting it down on the studs. A good time was had by all with refreshments being served after the heavy lifting. This club can do anything!

The chassis is ready:

The body makes its way from the trailer:

The body is dropped onto the frame:

Buckeye Triumph members Ryan and Roy check the fit.

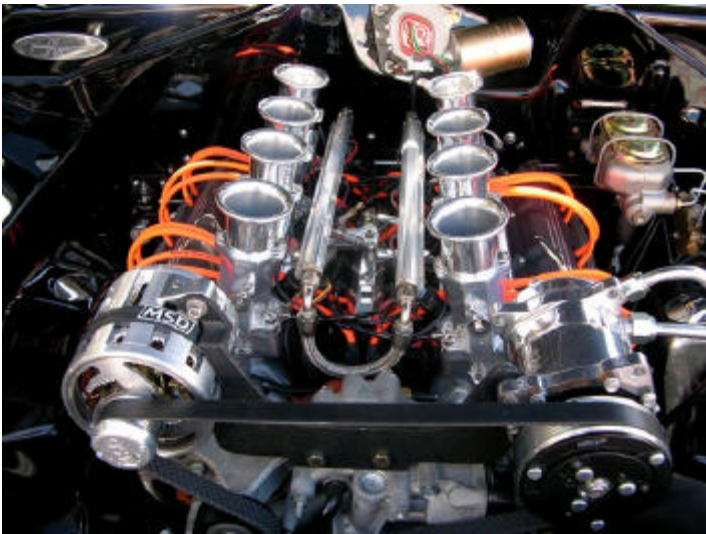

## SEMA Show 2006 Las Vegas

By Bill Blake/Events

The first week of November means only one thing to the car industry: SEMA Show time in Las Vegas. This year, as has been the case, was a massive show taking up all of the Las Vegas Convention Center, (about 300 football fields in floor space). The quantity of show cars and new shiny car parts on display is overwhelming; they even do an episode of Overhaulin' while the week goes on. We got to talk to AJ of Overhaulin' on Monday.

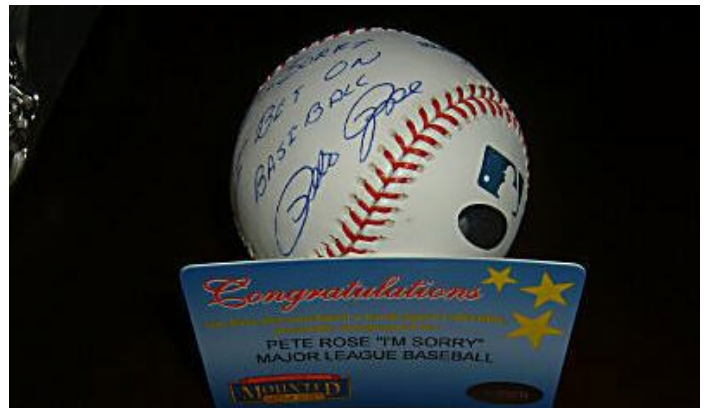

This show was void of anything British this year; I did try to find something to mention and report but no real British. The theme was 'American Muscle' and everywhere there were Mustangs, Mopars and Camaros. Some of the best things I saw:

### Real News

By Bill Blake/Events

I realize that our BT Newsletter usually does not have breaking news but rather articles that usually are well after the fact; well written and photographed pieces about a British Car event. I have news! Pete Rose has signed off on an apology for betting on baseball. In fact he signed a baseball saying just that: "I am sorry I bet on baseball." I happened to be the recipient and I wanted the news to be reported first in the BT Award Winning Newsletter:

Pete also sends greetings to our club in Ohio and asked if he could attend the 2007 Banquet. I told him about our raffle.....

**Sent:** Monday, November 27, 2006 11:22 PM  
 Hi, Bruce. Here are the minutes from the November meeting at Mary Kelley's.

We're still driving the old faithful TR7 (but it did get a break for 10 days when we drove our truck to Florida). Got a message today that our new Mini is in!! We think we will try to get it Thursday evening after work. We'll be taking pictures of it, so will pass one or two along for the newsletter (if not this month, then next month).

Charma

**Subject:** Special Event

Hi All, There are two notable yearly events in Delaware: the Brown Jug in September which has something to do with harness racing, and the Charity Breakfast held on Saturday December 9 at the Hardware Exchange 141 South Sandusky Street. The breakfast is awesome and is for charity; you pay whatever think it is worth. It starts at 5:30am and runs until the food runs out. One of the notable menu items is Seafood Bisque and of course Bananas Foster. The wait time is usually over an hour (the line snakes through the hardware store) but well worth it. Kathy and I will be going for sure along with most of the population of Delaware. You are welcome to join us.

Bill and Kathy

**Subject:** HAVING SONS For those who have sons & those who think they'd like to.....

And you also find out interesting things when you have sons, like...

1. A king size waterbed holds enough water to fill a 2000 sq. ft. house 4 inches deep.
2. If you spray hair spray on dust bunnies and run over them with roller blades, they can ignite.
3. A 3-year old Boy's voice is louder than 200 adults in a crowded restaurant.

4. If you hook a dog leash over a ceiling fan, the motor is not strong enough to rotate a 42 pound Boy wearing Batman underwear and a Superman cape. It is strong enough, however, if tied to a paint can, to spread paint on all four walls of a 20x20 ft. room.
  5. You should not throw baseballs up when the ceiling fan is on. When using a ceiling fan as a bat, you have to throw the ball up a few times before you get a hit. A ceiling fan can hit a baseball a long way.
  6. The glass in windows (even double-pane) doesn't stop a baseball hit by a ceiling fan.
  7. When you hear the toilet flush and the words "uh oh", it's already too late.
  8. Brake fluid mixed with Clorox makes smoke, and lots of it.
  9. A six-year old Boy can start a fire with a flint rock even though a 36-year old Man says they can only do it in the movies.
  10. Certain Lego's will pass through the digestive tract of a 4- year old Boy.
  11. Play dough and microwave should not be used in the same sentence.
  12. Super glue is forever.
  13. No matter how much Jell-O you put in a swimming pool you still can't walk on water.
  14. Pool filters do not like Jell-O.
  15. VCR's do not eject "PB & J" sandwiches even though TV commercials show they do.
  16. Garbage bags do not make good parachutes.
  17. Marbles in gas tanks make lots of noise when driving.
  18. You probably DO NOT want to know what that odor is.
  19. Always look in the oven before you turn it on; plastic toys do not like ovens.
  20. The fire department in Austin, TX has a 5-minute response time.
  21. The spin cycle on the washing machine does not make earthworms dizzy.
  22. It will, however, make cats dizzy.
  23. Cats throw up twice their body weight when dizzy.
- 80% of Women will pass this on to almost all of their friends, with or without kids.
- 80% of Men who read this will try mixing the Clorox and brake fluid.
-

**Subject:** NEW TURKEY RECIPE

**May you & your families have a wonderful & blessed Thanksgiving.**

**NEW TURKEY RECIPE**

You should try this!  
 Sure to bring smiles from your guests!  
 Here is a new way to prepare your Thanksgiving.

1. Cut out aluminum foil in desired shapes.
2. Arrange the turkey in the roasting pan, position the foil carefully. (see attached)
3. Roast according to your own recipe and serve.
4. Watch your guests' faces...

May your stuffing be tasty  
 May your turkey be plump,  
 May your potatoes and gravy  
 Have never a lump.  
 May your yams be delicious  
 And your pies take the prize,  
 And may your Thanksgiving dinner  
 Stay off your thighs!

**Subject:** Carlins rules foor 2007

George Carlin's New Rules For 2007

**New Rule :** Stop giving me that pop-up ad for classmates.com! There's a reason you don't talk to people for 25 years. Because you don't particularly like them! Besides, I already know what the captain of the football team is doing these days: mowing my lawn.

**New Rule :** Don't eat anything that's served to you out a window unless you're a seagull. People are acting all shocked that a human finger was found in a bowl of Wendy's chili. Hey, it cost less than a dollar. What did you expect it to contain? Trout?

**New Rule :** Stop saying that teenage boys who have sex with their hot, blonde teachers are permanently damaged. I have a better description for these kids: lucky bastards.

**New Rule :** Ladies, leave your eyebrows alone. Here's how much men care about your eyebrows: do you have two of them? Okay, we're done.

**New Rule :** There's no such thing as flavored water. There's a whole aisle of this crap at the supermarket, water, but without that watery taste. Sorry, but flavored water is called a soft drink. You want flavored water? Pour some scotch over ice and let it melt. That's your flavored water.

**New Rule :** Stop f\*\*\*ing with old people. Target is introducing a redesigned pill bottle that's square, with a bigger label. And the top is now the bottom. And by the time grandpa figures out how to open it, his ass will be in the morgue. Congratulations, Target, you just solved the SocialSecurity crisis.

**New Rule :** The more complicated the Starbucks order, the bigger the ass hole. If you walk into a Starbucks and order a "decaf grande half-soy, half-low fat, iced vanilla, double-shot, gingerbread cappuccino, extra dry, light ice, with one Sweet-n'-Low and one NutraSweet," ooh, you're a huge ass hole.

**New Rule :** Just because your tattoo has Chinese characters in it doesn't make you spiritual. It's right above the crack of your ass. And it translates to "beef with broccoli." The last time you did anything spiritual, you were praying to God you weren't pregnant. You're not spiritual. You're j ust high.

**New Rule :** Competitive eating isn't a sport. It's one of the seven deadly sins. ESPN recently televised the US Open of Competitive Eating, because watching those athletes at the poker table was just too damned exciting. What's next, competitive farting? Oh wait. They're already doing that. It's called "The Howard Stern Show."

**New Rule :** I don't need a bigger mega M&M. If I'm extra hungry for M&Ms, I'll go nuts and eat two.

**New Rule :** If you're going to insist on making movies based on crappy, old television shows, then you have to give everyone in the Cineplex a remote so we can see what's playing on the other screens. Let's remember the reason something was a television show in the first place, is that the idea wasn't good enough to be a movie.

**New Rule :** No more gift registries. You know, it used to be just for weddings. Now it's for babies and new homes and graduations from rehab. Picking out the stuff you want and having other people buy it for you isn't gift giving, it's the white people version of looting.

## Classifieds

### PARTS...PARTS...PARTS -

The 1974 TR6 has been set to \$1800.00 without the extra parts, or \$2500.00 with the parts included. The car can now be seen at Chips Customs on Hubbard Road just east of West Jefferson. My 1995 Jaguar XJ6 is available now. BRG with tan leather, approx. 114000 miles. New Michelin tires, runs great, looks great, I just don't drive it enough. \$6500.00. Call me to see either.

Also, My parts business has moved to 539 Cambrian Road just east of Urbana. The new phone number is 937 834-1690. The former parts location on US 40 in West Jefferson is now available for rent. Approx. 1500 square feet of dry storage space for \$300.00 a month. Another barn behind it is available for \$175.00 a month. At least six LBCs have been stored there at one time. Call me for more information.

Hello,

I'm looking for a tr250 in decent condition. Do you know of any for sale?

Thanks
